8 I'll call on those members of the
9 public who signed up to speak in advance. When
10 your name is called, please step up to the
11 microphone. We ask that you limit your
12 comments to two minutes. Andrew Willoughby.

13 MR. WILLOUGHBY: Thank you. Thanks for
14 allowing me the opportunity to speak today. My
15 statement is brief. It is just a single-page
16 long.

17 Members of the Board, I am here
18 to present unacceptable actions by the police
19 that resulted in the violation of the First
20 Amendment and CPD policy. On Friday, December
21 5th, the media reported that a small group of
22 protestors were obstructed by police determined
23 to stop marchers from proceeding north and
24 crossing the Chicago River into River North.

1 Protestors referenced Vodak V
2 City of Chicago which allows for permit and
3 notice exemptions and presented fliers to
4 officers.

5 Rightful attempts to further
6 proceed remained opposition and arrest. It was
7 clear the police were purposely preventing the
8 group from accessing specific areas, as we
9 continued to face blockades in opposition at
10 several points along the route.

11 Requests for explanations and
12 attempts to speak with supervising officers
13 were made. Not a single officer, sergeant or
14 commander was able to articulate which areas
15 were forbidden or for what reason, nor were
16 they able to cite any law that supported the
17 blockades.

18 According to the City's website
19 and CPD policy, if a member of the public is
20 dissatisfied with the service he or she
21 received, they may register with any CPD
22 supervisor at any district station.

23 Supervisors are required to
24 register the complaint and submit a written

1 memorandum of all their information to IPRA.

2 In chanting to the nearest police
3 station to file complaints, one officer said
4 directly to me, "I'll make you a deal. If I
5 file your paper and promise you won't shoot
6 anyone tonight, will you promise to go away."
7 This was the general attitude of Commander
8 Nagode, Sergeant Glenn and officers of the
9 first, seventh and eighth district who
10 commented that our protest was welcomed because
11 it contributed to their overtime pay.

12 Upon reaching the station,
13 citizens were obstructed with the police
14 blockade. The group requested for a single
15 individual, even under escort, to be allowed to
16 enter inside to file a complaint. The request
17 was repeatedly ignored and denied. Requests to
18 speak with officers' supervisors were met with
19 I don't know who they are, or I don't know
20 where they, look over there, or we're not
21 taking complaints, and lastly call 311. Not a
22 single supervisor's name was given or any
23 attempts made to present a means for citizens
24 to file a complaint.

1 It is worth noting that CPD's own
2 website actually has an incorrect number and
3 location for IPRA. And as of this moment the
4 City's online complaint form is down.

5 It is clear that the complaints
6 are not taken seriously.

7 In summary, police created
8 blockades to prevent a legal demonstration from
9 taking place with no ability to justify their
10 action other than because I said so.

11 As a result, the officers made
12 unlawful arrests of citizens. And furthermore,
13 officers failed to accept or report citizen
14 complaints despite many requests to do so.

15 In addition to the We Charge
16 Genocide allegations, the recent Steamer
17 (phonetic) lawsuit and the shooting of Naquon
18 McDonald (phonetic), it appears that there is a
19 systematic pattern of issues with police
20 personnel that needs to be seriously addressed.

21 Please hold Commander Nagode,
22 Sergeant Glenn and the officers who were
23 complicit in the December 5th interaction
24 accountable under the law which I believe they

1 and others like them aren't fit to uphold.

2 Thank you.

3 PRESIDENT CARNEY: Thank you. Dan Tuls.

4 Dan Tuls. Robert More.

5 MR. MORE: It is December 12th, 2014. I
6 never will get through what I got here. I did
7 come to the November meeting. I got here after
8 the meeting already started.

9 This is the component of the
10 Rothschild Lucifer enslavement and
11 extermination apparatus known as the Police
12 Board for the City of Chicago.

13 I do acknowledge that there are
14 certain members on this who have demonstrated a
15 commitment to a comrade and general alliances,
16 but this institute, City of Chicago Police
17 Department, is simply an extension at this
18 point of the Rothschild enslavement
19 extermination apparatus.

20 And the objective why I keep
21 coming to these meetings, I've got numerous
22 lawsuits against the City of Chicago and trying
23 to get indictments, and I will continue to do
24 that, as long as I have to go through a common

1 law court evidently.

2 But we are very busy with Oath
3 Keepers, Constitutional Sheriffs to just
4 correct the problem, which is to kill The New
5 World Order and drive Jewish supremacism, which
6 is a de facto religion of the world at this
7 juncture, off the face of this earth or enter
8 into eternity dieing trying.

9 I'm sicked by what this man just
10 said, but it's the ordinary customary activity
11 of the deeply sinful, appalling, corruptive
12 priorities of all these governmental
13 institutions, which are just -- that should be
14 obliterated from the face of the earth. It is
15 not an antigovernment. It is antigovernment
16 cannibalism.

21 that's the link in which I was trying to say if
22 I had enough time today to get all these
23 issues.

24 Where is McCarthy? First

1 question, where is the chief neo-Nazi McCarthy
2 the Superintendent? He wasn't here November.
3 Where is he today? What's the basis upon which
4 he is not present?

5 PRESIDENT CARNEY: Mr. More, we don't have
6 any personal accusations.

7 MR. MORE: What?

8 PRESIDENT CARNEY: Keep going. You are
9 crossing the boundary here.

10 MR. MORE: The public is entitled to every
11 man's evidence. The public is entitled. Why
12 is he not here again?

13 PRESIDENT CARNEY: Two minutes are up. All
14 those who signed up to speak in advance have
15 been recognized. Is there a motion to adjourn?

16 MR. CONCON: So moved.

17 PRESIDENT CARNEY: All in favor?
